

Coronavirus screening clinics

Coronavirus (COVID-19) screening clinics are also in operation at several hospitals across the region:

Royal Prince Alfred Hospital **8.00 am until 10.00 pm** daily

Concord Hospital **8.00am until 6.00pm** daily – across road from ED in Sports Institute Building

St Vincent's Hospital **10.30am to 6.00pm** daily. Enter via main hospital entrance and follow the green line to the Flu Assessment Clinic. (*All non-emergency presentations for testing of children should go to Sydney Children's Hospital or Royal Prince Alfred Hospital)

Prince of Wales Hospital **10.00am to 8.00pm** .
Monday – Friday, 10.00am to 1.00pm Sat/Sun –
Building 14B Avoca St, Randwick

The services are staffed by Emergency Department clinicians for patients suspected of COVID-19 infection. Patients should meet testing criteria as specified under triage. No referral required.
